**A NEW COAL MINE?** The proposal for a new deep coal mine in West Cumbria will be considered at a Public Inquiry being arranged by the Planning Inspectorate. It will be presided over by Planning Inspector, Stephen Normington and is scheduled to start on the 7th September expecting to last 3 weeks or more. The Inspector will write a report and send it to the Secretary of State for Housing and Local Communities who will make a decision whether to refuse or approve the application. A Public Inquiry can provide a sensible balance between national, international and local issues. Expert evidence can be submitted and Planning Inspectors are qualified to establish any areas of agreement, and ask the relevant questions. The processes for public involvement will be well publicised and in normal times the hearings are open to the public. Bishop Paul Swarbrick has welcomed the Secretary of State for Local Government's decision to hold a public inquiry into plans for the UK's first deep coal mine in 30 years at Whitehaven, Cumbria:

***"I welcome the decision to call a public inquiry regarding the proposal to open a deep mine at Whitehaven. The issue seems to have a double context. Firstly, a local context in terms of local economy. The obvious second context is global climate change (GCC). Existing Government policies will inform the public enquiry, as will the scientific evidence regarding GCC. Scientific evidence has been a leading factor throughout the Government's pandemic strategies. It is necessary to establish what weight is given to science in this public enquiry, particularly as balanced against considerable social and economic factors."***

**TODAY'S READINGS:**

**Make your home in me...**

In this weekend's second reading God's basic requirements of us are laid before us. We are to keep the commandments, we are to ...believe in the name of His Son, Jesus Christ, and we are to love one another. Jesus is telling us we are to be united, to be part of the vine, to be in communion with one another and with Him. All this just underlines what Jesus had shared with the Apostles at the Last Supper. In receiving Jesus in Holy Communion, we are united through Him vertically to the Father and horizontally with one another. We cannot be totally free until we are as one with Jesus and one another, and for this we need His grace. As we grow in faith Jesus makes us one by constantly drawing us more closely to Himself. Daily we are cared for by the Father, the Vinedresser; we are sustained by the Spirit, the Life-giver; we are fed by Jesus, we make our home in Him and He makes His in us. This mutual abiding - He in us and we in Him - is the place from which we gain the necessary grace to strive to fulfil what God asks of us. Let's welcome our abiding guest.

**...as I make mine in you!**

**SPEAK TO THE PARISH:** In June or July if anyone would like to speak to the parish at the 10am Sunday Mass on a topic they would like to share about their faith, the Church or the parish etc. please let me know. The conditions are:

- 1) It has some reference to the readings, if only a line and be about 5 minutes.
- 2) It is upbuilding.
- 3) It is kind to all.
- 4) It can be challenging but not outrightly heretical.
- 5) Fr. Hugh might intervene if it is too good and putting his usual offering in the shade!

"Dear children! Today I am calling you to witness your faith in the colours of Spring. May this be a faith of hope and courage. May your faith, little children, not waver in any situation, not even in this time of trial. Go courageously with the risen Christ towards Heaven, which is your goal. I am accompanying you on this way of holiness and am placing all of you in my Immaculate Heart. Thank you for having responded to my call."
