**Our Lady's Message to Marija Pavlovic-Lunetti September 25<sup>th</sup>:** "Dear children! Pray that the Holy Spirit may enlighten you that you be joyful seekers of God and witnesses of love without bounds. I am with you, little children, and, anew, I am calling all of you: take courage and bear witness to the good works that God is doing in and through you. Be joyful in God. Do good to your neighbour so that it will be good for you on earth and pray for peace, which is threatened because Satan wants war and peacelessness. Thank you for having responded to my call."

## HOLY TRINITY & ST GEORGE CATHOLIC CHURCH

9<sup>th</sup> OCTOBER 2022  
TWENTY-EIGHTH SUNDAY IN ORDINARY TIME

### TODAY'S READINGS:

*Let us give thanks...*

Why did only one leper come back to give thanks to God? And for that matter why did the other nine never bother? Perhaps some of them were angry; angry they had been so sick and so couldn't see their healing as a blessing - for them their sickness had been a curse. Maybe they were upset that they'd missed so much in life; perhaps they were people who saw the glass half empty. Or, maybe some of them were just self-absorbed. Perhaps some were like children who were never even thought to say "Thank you," as though they had a right to all good things in the world. It's shocking to think that some people could be so angry, or so self-centred that they can't appreciate the gifts of the Lord. Sadly, that is exactly what happens. People who can only see the negatives in life, cannot appreciate the gifts of God. People who think they are the centre of the world, cannot fathom why they should be grateful to anyone for anything. What do I do when I experience God's Love? Am I one of the nine? Or, am I the one out of the ten; the one who returns glorifying God with my life?

*...to the Lord, our God!*

**CAFOD FAMILY FAST: Harvest Fast envelopes are being collected in this weekend or you can visit [cafod.org.uk/fastday](http://cafod.org.uk/fastday) to donate online.** Thank you.

The world food crisis could be the worst in living memory. CAFOD's local experts are working hard to provide emergency food supplies to families in the worst affected countries in East Africa.

*"It's very distressing to be unable to feed your children," says Talaso from Marsabit in Kenya. "As a mother, that's the most distressing thing of all."*

Millions of families are affected - food prices are skyrocketing. All around the world, including the UK, families are finding it hard to put food on the table. In northern Kenya, Ethiopia, and South Sudan up to 20 million people face drought and grain shortages. CAFOD works with local experts who know how best to respond and your donation means they can help stop this crisis getting worse.
